Noted: Public Hearing of this meeting appeared in the Review & Express.

Review of Application for an Use Variance for Wilson Property located at tax map ID # 104-1-16 made by Code Officer and ZBA members.

Discussion: Asked their intentions for property, They stated to put a campground on the property. The property will not bother anyone or harm the area it is in. Soil and Water had not been contacted yet for review of the use and if it could be handled. They were asked if they had spoken to anyone else about this like the State for driveway access etc.. The answer was no.

During the hearing it was determined that they had not put out the necessary signs on the property announcing the public hearing. We postponed it with no decision because of this and set a new date of 11/5/2015

Decision for Area Variance: Postponed until 11/5/2015
